TEQUILA & MEZCAL FLIGHTS

This is a special way to experience the distinct qualities of our different tequilas. All of our tequilas are served with red and green sangrita. You can taste by producer, barrel age or by region to better understand a mysterious and romantic drink

TEQUILA

aha toro . 27

blanco, reposado, añejo .

aha toro is a fifth generation, mexican owned tequila following a traditional, artisan style production method that has proved its worth for over a century. the piñas are sourced from los altos, jalisco and all aging takes place in white oak barrels .

corrido . 28

blanco, reposado, añejo .

tequila corrido is produced from select blue weber single-estate grown agave in the red soil of the 'los altos' highlands of jalisco, produces a higher sugar content than usual, making for a more vibrant agave flavor. the reposado and anejo are double-barrel aged in jack daniel's and maker's mark barrels, using a "taste, not time" aging method; meaning, according to the distiller: "the tequila will tell you when it's ready."

milagro . 23

blanco, reposado, añejo .

milagro or 'miracle' tequila is estate grown in the los altos highlands of jalisco . after the two distillations, milagro does a third distillation in a small rectifying column to add another layer of purity . the reposado is aged for two months in old bourbon american oak while the añejo is aged 18 months .

don julio . 28

blanco, reposado, añejo .

don julio gonzález-fausto estrada established his distillery, la primavera, in 1942 when he was just 17 years old. at first he only shared his tequila with friends, but it quickly gained notoriety and has since spread around the world. the blanco is bottled directly after distillation, the reposado is aged in oak barrels for eight months and the añejo for 18 months.

cazadores . 22

blanco, reposado, añejo .

founded by senior jose maria in 1922; at night, he would admire the blue agave plants in his field and the deer as they wandered through them in the moonlight. "cazadores" is spanish for "hunter" and symbolizes jose maria's constant pursuit of tequila perfection

TEQUILA & MEZCAL FLIGHTS

gran aviación . 90

experience some of our finest aged tequilas

don julio 1942 .

the 1942 goes through its second distillation in a special still called 'pot still #6' which greatly contributes to the extraordinary smooth nature of this fine tequila. it is aged for two and a half years in barrel and won't disappoint.

herradura seleccion suprema .

the first 'extra añejo' produced; this tequila has been produced by the famous herradura family since 1995. it is aged 4 years in oak and has strong, pleasing, vanilla and citrus notes with a delightful cocoa-like finish.

el tesoro 'paradiso' .

the family of don camarena has been distilling blue agave in jalisco since the early 1800's and is still family owned with don felipe's grandson, carlos, serving as master distiller . each batch of el tesoro is handcrafted and the paradiso is aged for 5 years with cognac barrels in cooperation with alain royer of a. de fussygn from cognac, france .

MEZCAL AND SOTOL

el zacatecano . 26

blanco, reposado, añejo .

el zacatecano is a family owned distillery, found in 1910 in the town of huitzila, in the seirra madre occidental, southeast of zacatecas, mexico. the distillery has been run the same way for 100 years, and is now enjoying much success with distribution into the U.S. market.

del maguey . 40

santo domingo, minero, chicicapa .

del maguey mezcals are a collection of fine, rare, unblended mescals made by individual family producers in the remote villages scattered throughout the state of oaxaca, mexico. Each bottle is labeled after the village where it's produced. Smokey, with natural agave and earth tones, each village brand is a unique, and pure testament to the magic and mystery of mezcal.

hacienda de chihuahua sotol . 26

blanco, reposado, anejo .

sotol is a close, yet relatively obscure cousin of mezcal and tequila; derived from the "desert spoon" agavaceae (the same family in which the agave plant resides). made exclusively in the chihuahua reigion of mexico; sotol is distilled 15 year mature pinas, yielding only one bottle per plant. hacienda de chihuahua is one of very few commercial distillers available.
