

### **the wine**

The Book says “the apple tempted eve”,  
our book says, “it must have been the grape”.  
frivolous, intense, sexy, dirty, crisp, full-bodied, light-bodied,  
fruity, earthy, cherry, blackberry, grapefruit, apple, dry, oaky.  
those are just a few descriptors used for the juice.

from wines that pair naturally with our food, to the wines that steal  
the show...

from around the world and our own backyard...

### **food and wine pairing**

contrasts are a beautiful thing,  
i.e. complex with simple, spicy with sweet, salty with fruity.  
but sometimes similar comparisons are the way to go,  
i.e. tangy with tangy, earthy with earthy, sweet with sweeter.

have fun with this, as rules are meant to be...
